ABT AUDI A1 QUATTRO (8X0) FROM 08/12

	DESCRIPTION	ORDER NO.	PRICE IN EURO	
			excl. VAT	
ABT ventile	ABT - VALVE CAPS 4 valve caps with ABT logo	ANA000010	20,60	C

On all vehicles built from Nov. 2014 a tire pressure control system is standard. In general there are two different systems.

1. Indirect measuring tire pressure control system: In this case no sensors in the wheels are needed due to the measurement of the tire diameter through the antilocking system.
2. Direct measuring tire pressure control system: In this case for each wheel a tire pressure sensor will be needed. There will be additional cost for ordering an ABT complete wheel set.

When ordering a complete wheel set please indicate if your vehicle uses a direct or indirect tire pressure control system.
